**Cilji in kompetence:**

Cilj predmeta je raziskati vprašanja zgodovine, identitete in popularne kulture skozi prizmo kulturnih in kritičnih študij. Predmet ponuja vpogled v različne teoretske in metodološke pristope k raziskovanju popularne kulture, vključno z marksizmom, frankfurtsko šolo, postmodernizmom, semiotiko in feministično teorijo. Študentke in študenti bodo spoznali, kako popularna kultura odraža in vpliva na družbene in kulturne procese, ter razvili sposobnosti kritične analize in interpretacije popularno-kulturnih praks in produktov. Poudarek je na interdisciplinarnem raziskovanju zgodovine skozi popularno kulturo, s čimer bodo pridobili širše razumevanje sodobne kulture in družbe.

**Objectives and competences:**

The objective of this course is to explore issues of history, identity, and popular culture through the lens of cultural and critical studies. The course provides insights into various theoretical and methodological approaches to studying popular culture, including Marxism, the Frankfurt School, postmodernism, semiotics, and feminist theory. Students will learn how popular culture reflects and influences social and cultural processes, and will develop skills in critical analysis and interpretation of popular cultural practices and products. The emphasis is on interdisciplinary research of history through popular culture, providing students with a broader understanding of contemporary culture and society.

**Predvideni študijski rezultati:**

Slušatelji in slušateljice bodo pridobljeno znanje uporabili za pisanje znanstvenega prispevka, ki lahko služi kot osnutek poglavja disertacije ali znanstvenega članka. Pri tem bodo razvili
